

**Eminence Corporate Solutions**

## **Welcome to Eminence Corporate Solutions**

Eminence Corporate Solutions is a business information and training company specializing in the delivery of strategic business events alternative thinking to both private and public sectors. We are Level 1 BBBEE.

In 2017, Company was formed with an intention to offer best services when comes to:

In-house training

Summits

Conferences

Workshops

Programmes

We have a dedicated team of producers, sales and marketing whose ready to engage with clients, commit to specific criteria, curriculums and deliver innovative solutions-based products. We just do not train and assist our clients but we make it a top priority for the clients to understand and implement the skills and knowledge gained. In today's world different techniques and methods used in different types of fields are evolving and advancing every time and we are here to fully equip them with the appropriate tools so as to enable them to tackle the challenges they face with ease.

### **Strategic Partnerships**

Our local and international associates are "GURUS" in their fields and coupled with our own experienced staff members we are capable of delivering cutting edge business solutions.

### **Our Mission**

To ensure that our information dissemination via summits, conference, workshop, training of the highest quality and consistently updated through intensive research in order to meet the need of executives in a changing and challenging business environment.

### **Our Vision**

To become a world leader in the provision of strategic business information through interaction and learning.

### **Our Values**

- We actively seek and encourage innovation by our staff, clients and partners alike.
- We will strive to provide strategic business information to all our clients through our research-driven events.
- We will seek to make a positive contribution to the success of our partners and clients through the delivery of intelligence and strategic information.
- We will nurture and develop mutually beneficial and sustained relationships with our partners and clients.
- We will strive to provide quality products and services demanded by our client.
- To become an inspirational and indispensable provider of innovative products and services for Corporate Africa.

Sponsorship:

*"Delivering strategic business information and solutions through Interaction and Learning"*

Highly Flexible and dynamic combinations of branding opportunities exist for sponsors and partners - before and during the event. Your name will be in front of tens of thousands of professionals, guaranteeing enhanced reputation, profile and awareness amongst your target markets.

### **In summary...**

- We will help you access and GENERATE quality business leads
- We will help you ENHANCE your profile.
- We will help you CREATE new business opportunities.

### **Why you should sponsor**

- Cost effective marketing exposure and branding to target audience, culminating in face-to-face meetings with your best prospects at the event
- Position and profile yourself as an industry leader
- Increase your brand recognition
- Create new partnerships and alliances
- Develop relationships through new networking opportunities
- Showcase new applications to a focused and targeted audience of decision-makers
- Learn about the industry's most pressing issues
- Invite your top clients to attend the conference and let them see you outshine your competition
- Gain valuable industry research

### **Our service includes:**

- Development, marketing and hosting of our own training courses, Event production, marketing and management (including public workshops, seminars/ conferences), Short-term Direct-Marketing Solutions for your training products and Focused "In-house" Training solutions.
- By using critical market research methods in the designing and production of our events, we are able to identify the unique challenges facing local and African businesses today. Our commitment to service excellence means that we deliver genuine business solutions at competitive rates. We draw on a diverse pool of industry professionals in the production and staging of our events, in order to provide delegates with the ultimate learning experience
- We are proud to be affiliated with the South African Association for the Conference Industry
